“Honoring A Life”

Wednesday, January 6, 2021; 1:30 PM to 3:30 PM

Southern Arizona Senior Pride End of Life Planning Program is once again offering “**Honoring A Life**” workshops ON ZOOM.

This will be an opportunity to prepare or update your wishes and instructions on how you want to be cared for if you are unable to make decisions for yourself.

Current health and medical crises are making it more important for each of us to prepare written instructions regarding our desires about what types of treatment and care we wish for ourselves, as well as identifying the people we trust to make decisions for us when we may not be able to. Explore the possibilities available to you and make your wishes known.

Please contact Erin Russ, End of Life Planning Program Coordinator at eol@soazseniorpride.org to register BY December 23, 2020.

Registration in advance is required (to have workshop materials mailed to you.)

Please include: Name, Email, Mailing Address and Phone Number in your registration email. Once we receive your information, you will be mailed the workshop materials and sent the on-line meeting link.
